## PAC INFORMATION

December 6<sup>th</sup> – PAC Meeting 7pm (library)

December 9<sup>th</sup> – Primary Holiday Market \*see below for details

December 16<sup>th</sup> – Pancake Breakfast

### \*The Primary Holiday Market is back!

So, start your spring cleaning but winter version.

A lot of us primary parents haven't experienced the joy that is the Holiday Market. Let me tell you all about it. The week of Dec 5th, we will have a collection table at the school atrium for all those lovely, unwanted household items you would like to donate. Start piling your jewelry, books, small sport, and tech items for this annual tradition. What not to donate, no clothes and no food – but literally anything you want to give a better home to.

We will have toonie collection forms sent out to you via your child's backpack in early December so you can send those back to school with your children so they can go "shopping" for the greatest Christmas gift you ever received.

On December the 9th, the primary children will go shopping and buy two items each. There will be Grade 7's there to assist them with wrapping these gifts for you. We are trying to keep this as sustainable as possible so please make sure to donate your used gift bags, tissue paper, wrapping paper and even that brown Amazon packing paper to wrap items in. Please do not buy new wrapping paper to donate.

If you would like to volunteer and didn't sign up at the start of the year, please email Dena Rantz [dena\\_rantz@yahoo.com](mailto:dena_rantz@yahoo.com)

## WorkBC

FIND YOUR FIT

TOUR

## EXPLORE IN-DEMAND CAREERS

### *The WorkBC Find Your Fit tour is coming to your school.*

The WorkBC Find Your Fit tour is an interactive event where you can try the skills you'll need for different careers that are in demand in your region and across the province.

This hands-on program will help you apply real life experiences to your career planning.

***Find more information at [WorkBC.ca/FindYourFit](https://www.workbc.ca/FindYourFit)***

Find Your Fit school sessions follow a COVID-19 health and safety protocol plan such as enhanced sanitizing and cleaning procedures, use of PPE equipment by all tour staff, decreased student touch points and operating at a reduced capacity to accommodate safe physical distancing measures.
