

**CARISBROOKE**  
Elementary School

**The Thunderbirds**

We are the Thunderbirds  
Strong and powerful  
We stand up for equality  
And freedom for us all!

We're loyal and reliable  
We mean no harm  
Our hearts are filled with joy  
And we have a special charm.

We are the Thunderbirds  
Strong and powerful  
We stand up for equality  
And freedom for us all!

We always help each other  
Because we really care  
Even though we are different  
We'll always do what's fair.

(Bridge)

We spread our wings and fly high in the sky  
We listen to each other and we try, try, try  
So much potential no one can deny  
Set our course and we fly, fly, fly!  
We try, try, try!

We are the Thunderbirds  
Strong and powerful  
We stand up for equality  
And freedom for us all!
