School Supplies "Packages" Grades 1-7

The option to purchase school supplies "packages" from Creative Children was offered in May 2016. If you did not get your order in at that time, you may go to the Carisbrooke website, download a school supply list listed by grade and purchase the supplies. Although parents may purchase any brand of supplies they wish, we ask you to please take notice of what is listed on the print out and, if possible, purchase the brand names suggested. Thank you.

Kindergarten Consumable School Supplies Fees:

Carisbrooke Kindergarten fees are \$45. The purchase of K supplies from the school is offered as an option by many schools. A district-wide recommended amount for this is developed in consultation with K teachers and is based upon consistent curricular activities across all K classes. For 2016-2017, the amount recommended to accomplish cost-recovery for these standardized supplies is \$45. It is possible that individual schools may vary in their curricular activities and the true cost-recovery for their program may be different from the recommended amount. Additionally, parents can choose to purchase these supplies themselves; supplies lists will be provided to them on request.
