## **Mon. Apr. 15th, 2024**

Good morning, Carson, who's ready for another great week, we have two early dismissals on Thursday and Friday and to make things even better two exceptional athletes to highlight from Carson's badminton Team Lucas Li and Tessa Mills. Tessa's coaches say with constant motivation to get better, Tessa always brings her A-game to every single practice and match. She has carried the senior badminton team on her back multiple times this season, most recently by decisively defeating Chatelech 2-0. On the other hand, Lucas Li has anchored the badminton team for the last 5 years, propelling Carson to many victories and multiple playoff appearances. He brings skill and leadership to Carson, and if he tries a little harder, maybe one day he'll be able to beat Mr. Kwan. Great work you two!

There is a math club meeting today at lunch in Ms. Dai's room D312. This is an important meeting for those participating in the Gauss math contest as we will be going over past contest questions.
