Thurs. Feb. 1st, 2024

This past weekend 32 members of the Carson Model UN Club travelled downtown with over 1000 other high school students from across North America to participate in the Vancouver Model United Nations conference. Students were involved in a variety of committees where they tackled global issues such as malnutrition and food insecurity, equitable vaccine distribution, and bioterrorism. Students discussed, cooperated, and collaborated on possible resolutions from the perspectives of their designated countries. Congratulations to everyone who attended on another successful weekend of debate and diplomacy!
