Join the Learners Link virtual meeting this Thursday at 5pm to meet Julian Alvarez, host of the “Inventing the Future Podcast”, NFT expert, CEO at Mindflow, and engineer at Meta.

Our meeting will focus on:

1. What the future of the MetaVerse will look like
2. Whether NFT's are a FAD, or if they will continue to grow into the future.
3. Julian's lessons for success: How to start a business, get a job at top Tech companies, and grow a podcast.

Sign-ups for First Responders end this week. If you're in grade 10 or 11, and looking to get more service hours and get advanced First Aid training, then this is the perfect opportunity for you. Sign-up packages are in the main office.”

Hey grades 8s, do you enjoy math and want to add some experience to your resume? The Gauss math contest is open to all students in grade 8. See Ms. Dai in room D312 to pick up a registration form. All forms are due April 26.
