The Carson Graham Ice Hockey team continued their exciting season yesterday with a wild 8-8 final against West Vancouver Secondary. Yes, you heard that right – eight to eight! The game was back and forth until the very end, but your Eagles were able to fend off a late attack to remain undefeated on the season. As a whole, your Eagles showed a great display of teamwork and commitment to defense against a team with a few very highly skilled players. Next up is Rockridge Secondary on Thursday of next week. Let's keep this wagon wheel rolling!
