Good morning, Carson Graham!

Feed me, Seymour! This is your reminder that Carson Graham's production of Little Shop of Horrors is almost here. Come see the show May 5th to 9th. Tickets are \$15. Show starts at 7:30pm

And don't miss our special preview performance this Friday, May 1st at 3:30 PM. Preview tickets are only \$5.

It's funny, it's creepy, it's full of music, and yes... there is a very hungry plant.

Come support your Carson Graham theatre students and get your tickets for Little Shop of Horrors!

A big **congratulations** to our Carson Mountain Bike team on their race yesterday!

Zoe Steen again DOMINATED the senior girls division proving, yet again, that she is head and shoulders the best female enduro rider in the region. And **Jonah Rickard** swept the Senior boys division to hold onto his position as TOP OVERALL RIDER heading into our final two races. Way to go Eagles!!"
