This is a message from the student council. Today's club highlight of the day is the [Jack.org](https://www.jack.org) club. Jack Chapters are groups of young people working year-round to empower each other and spread awareness about mental health. Carson Graham's chapter of [jack.org](https://www.jack.org) focuses on providing support and dismantling the barriers and stigma around mental health in our school community. If you are interested in signing up, please contact Ms. Weyell on Microsoft Teams

Hey Grads, the "most likely to..." survey is now available in teams. Pick the fellow classmate you know who fits the questions. Remember you can only pick one classmate per question. Their names would be posted in the yearbook. The survey will only be open now until Feb. 14th. Have Fun!

Hey Carson, feeling romantic? Every day this week, the us club is holding Valentine's candygram sales in the Agora during lunch. For 2 dollars, you can send someone a lollipop and a special message, and for 5 dollars, send chocolates and a message. It will be delivered to their morning class on Valentine's Day. All proceeds go to 'A Loving Spoonful'

Have you thought about learning how to build robots, learning how to code or are you interested in becoming an engineer? In partnership with Zen Maker lab, and Carson Graham. We will be offering our Robotics academy again next year. The academy is an enhanced learning opportunity for students wanting to become engineers or learn more about robotics. We also work alongside UBC and Capilano Universities programs to further your post-secondary options. If this opportunity interests you, please see Mr. Olson or email him for more information.
