

## **Announcements for Jan. 9, 2026**

All Grade 10 & 12 students need to check their Assessment times and locations for Grad Assessments on the board across from the office.

Students interested in joining the FIRST Robotics competition, there will be a meeting in Mr. Olsons room (E201) today at lunch. See you then!

Do you like engineering and robotics? Do you like to help kids? We are looking for 30 students to help mentor robotics teams for the annual grade 5 elementary robotics tournament in February. We need mentors for the Carson feeder schools and other teams across North Vancouver. If you are interested, come to Mr. Olson's room at lunch on January 19th.

Attention all Grade 9 Students. Vancouver Coastal Health will be at Carson Graham on Feb 5<sup>th</sup> for the Grade 9 Immunization Clinic. If you have not already received your vaccination consent forms, please check Teams to see if there if there is a consent package for you in the office. Only students that received this teams message need to come to the office.
