

Announcements for Mar. 10, 2026

This week we recognize Nowruz, the Persian New Year, a celebration that marks the beginning of spring and a time of renewal and new beginnings.

To learn more about this tradition, visit the Haft-Seen table in the library this week. While you're there, enter the prize draw by guessing how many senjed are in the bowl on display.

Stop by the library, check it out, and join in the celebration of Nowruz!
