I would like to send out a thank you and congratulations to everyone involved in the Celebration of IB last night and during the day.

Grade 10's you did it! You stepped up to the challenge and we are so proud of you!

Thank you Carson Graham Staff for your **FLEXIBILITY** (kids losing classes), **ENTHUSIASM** (talking to the grade 10's about their projects), **ADAPTABILITY** (letting us take over your spaces) **AND SO MUCH MORE!**

The Celebration of IB could not be successful without the support of so many staff and student volunteers.

The evening session was very well attended and positive energy was the theme!

The DP Artwork was amazing and truly inspiring!
