

## ***Announcements for May 10th, 2023***

Hey Carson, are you looking to make a difference? Do you believe in equality and equity for all? Are you looking to have your voice heard? Then join the Carson Black Youth and Ally Network this Thursday May 11 at lunch in room D206 for pizza and icebreakers. Open to all interested in anti-racism, community and social justice awareness.

On Thursday, everyone in grades 8-11 will be participating in the Student Council Executive Election for the 2023/24 school year. This year, since many positions went uncontested, you will only be voting for the role of President. Your period 1 teacher will bring you to the designated voting station when it is most appropriate for them, but before you vote it is important to know who you are voting for! Short campaigning videos for all three Presidential candidates have been posted on your grade Team, so please log in and watch these videos to get a better understanding of what each of the excellent candidates has to offer.

Are you an artist who would like to create art inspired by others and have a chance to display your art to the public? Join the “art creates art” project to join 20 other artists making art for the next month by scanning the QR codes on the posters around the school or on the school TV’s.

Open to helping new students find their way at Carson Graham? Looking for volunteer hours? Know how to access Teams and school email? If so, being a student ambassador might be for you! Please read Teams or see your counsellor for more information. Applications for this position of special responsibility are due to your counsellor by Monday, May 15<sup>th</sup>.

Sorry Carson, there has been a change to the meeting time of our first robotics club meeting to May 22<sup>nd</sup> at lunch in Mr. Olsons room E201. We will be discussing our club and competitions for next year!

There will be a meeting for the students interested in coming to the Dominican Republic next Spring Break today at lunch in Mr. Olson's room.
