

Announcements for Fri. May 27th, 2022

"It's the moment we've all been waiting for... registration for the 2022 BC Bolt is now open!

The BC Bolt is a month-long event of fun outdoor activities in the fresh spring and summer air. Registrants will run, walk, hike, and bike as many kilometers as they can to help us reach our collective kilometer goal of 10,000 kilometers and support the Heart and Stroke Foundation of Canada. Climb the leaderboards, win prizes, and challenge your friends while supporting a great cause, it's that easy!

Register and donate today at www.bcbolt.org and find us on Instagram at the 2022BCBolt"
