

Announcements for Monday, Oct. 26th, 2020

Last week was waste reduction week! We are still taking ANY old phone cases so that the plastic can be recovered, reused and kept out of landfills. Please bring them in this week to the Case Recovery Box outside the main office.

Attention all! In support of Covenant House, a non-profit organization committed to helping homeless youth, please bring in at least one non-perishable food or toiletry item to donate. The COVID-19 pandemic has brought about hardships to all people, and Covenant House needs your help! Bring your donations to the bin outside the counselling offices. If everybody could just bring one item, then we would have a huge collection to bring to Covenant House. Don't forget! Thank you for your support!

Hey Carson, this is the final week to submit your entry for the Library's Book Review Contest! The contest ends Friday.
