

Announcements for Monday, Oct. 5, 2020

All students interested in competing in cross-country there will be a meeting on Tuesday at beginning of lunch in the large gym.

This is a friendly reminder from the Carson Library. If you have placed a hold on a book please come and collect it from the library. We will meet you outside the library to give you your book. If you have changed your mind, please unhold the book so that we can give it to the next person in the queue. Thank you!
