Calling all Carson volunteers!

We need 100 volunteers for our Carson Graham Community Dinner. On December 13th, we will be hosting up to 400 people for a traditional Christmas dinner for new Canadians, refugees, people seeking connection, and those experiencing poverty. We have volunteer positions for everything from set up, food preparation, entertainment, serving and clean up. Come and be part of a ten year tradition or ask Mr. Olson for details.

We will be meeting in Mr. Olson's Engineering room (E201) this Friday at lunch. You must attend if you wish to volunteer

Coffeehouse is Thursday November 27th at lunch! If you have any questions or wish to perform message @cgscoffeehouse on Instagram or contact Axel Tansey on teams.
