

Announcements for Tues. Nov. 29, 2022

Does the World Cup have you feeling the footie-fever? If so, Student Council and the Carson Graham soccer teams would like to invite YOU to participate in Soccer (Futsal) Intramurals this year! Intramurals is a student-led sports tournament that is held within the school to provide an opportunity for students to compete against, and have fun with, other members of the school community in various sports... in this case futsal-style soccer. Games are going to be played at lunch, in the large gym, and this opportunity is open to absolutely everyone, regardless age, gender, ability, or experience.

The tournament will begin on Monday, December 5th, and registration is open until Thursday, December 1st. So, talk to your friends and make a team! If you don't have a team, you may still register as an individual and you will be placed on a team in need of extra players. In-person registration will be in the Agora at lunch every day this week, or you may register online by following the links posted on your Grade Team. More detailed information on the format, rules, expectations and registration process can be found on the main channel of your Grade Team. Log on if you want to know more, or just swing by the registration table in the Agora at lunch any day this week. We hope to see you there!

Attention Grade 8 students: if you are looking for something to do at lunch and enjoy board games and cards, come down to the library classroom after you eat your lunch to play some games!

The senior boys basketball team opened up the season with a 71-61 win over a tough Killarney team. The boys led throughout the game and held off many Killarney runs. Overall a great team effort to start to the season. Be sure to ask Kole about the "highlight of the year" so far!

Make lunch plans for lunch tomorrow and Friday, Carson. The theatre will be hosting Improv on Wednesday and Coffee House on Friday. Improv is a game of making up stories based on audience suggestions. Coffee House is an open-mic style performance for our talented singers to work on covers and new material. Bring your funny. Bring your lunch. Bring your funny-lunch!

Carson Graham,

It's back. We are hosting our annual Christmas dinner for people living in need here on the North Shore. New immigrants, refugees and those living in the poverty cycle will be served a first class Christmas dinner on Dec. 17th. We will need approximately 100 student/teacher volunteers. We have volunteer shifts starting at 9am and going to 8pm. If you are interested in helping out this year, please attend our meeting in room E201 this coming Thursday at lunch for volunteer position descriptions and sign up.

Custom grad wear is ready to order! Early birds get a deal till December 2nd! Orders close on December 16th. Check teams for the link to order or posters around the school.

Student retake cards are still in the office for pickup. Also if you have not picked up from September please do so.

We are still looking for your best fall photos for a chance to win a free yearbook. All submissions must be emailed to elgray@sd44.ca in a high quality format by December 5th.
