

## **Announcements for Nov. 6, 2025**

Athlete of the week announcement.

Our athlete is Ayden Liljefors. His teammates say that Ayden's got the best dribbling and the quickest feet on the team! He racks up goals and assists for fun, a true playmaker and finisher! The coaches have described Ayden's dribbling as next level! He's never afraid to take players on, and his moves are out of this world. Unselfish on the ball, rarely loses possession, and loves setting up his teammates.

Congratulations! Continue to make Carson proud as you battle it out in the playoffs!

Coffeehouse is Thursday November 27th at lunch! If you have any questions or wish to perform message @cgscoffeehouse on Instagram or contact Axel Tansey on teams.
