Attention Cadets!

We're looking for students in cadets to join the Colour Party for our Remembrance Day assembly. The Colour Party leads the processional and recession and carries and presents the flags during the ceremony. If you're interested, please meet Ms. Jonat outside the office TODAY at lunch for a brief meeting.

Basketball intramurals continue today with more grade 8 games! On court 1, team "Swish Kebabs" faces off against "Kobe Wan Kenobi". Games start at 1:15pm. No Spectators until finals in November.

Women In Leadership Club has its first guest speaker today! Come to D308 after school to learn about a North Vancouver City Councillor's experience in education, work, and feminism.

A huge **congratulations** to the Juvenile (Grade 9) Girls Volleyball team for taking 3rd place at the Chilliwack Junior Invitational Tournament this past weekend, facing off against a number of Grade 10 teams in the process. The team carried that momentum into last night's comeback win over Mulgrave, and they now look forward to a strong push to qualify for league playoffs.

Reminder that tomorrow is the Student Council General Election. During period 5 you will be voting for the representative positions; no need to go anywhere, as your teacher will guide you through the process. If you have a Study Block during period 5, please come to the Agora to vote any time between 9:15 and 10:15. Good luck to all of the candidates!
