

Announcements for Thursday, Oct. 1, 2020

This is a reminder there are not classes tomorrow (Fri).

This is a friendly reminder from the Carson Library. If you have placed a hold on a book please come and collect it from the library. We will meet you outside the library to give you your book. If you have changed your mind, please unhold the book so that we can give it to the next person in the queue. Thank you!

All girls in grade 8 to 10 who are interested in volleyball, please attend a brief meeting today at the beginning of lunch in the large gym.
