The people have voted and the results are in! Last Friday students in grades 10, 11 and 12 here at Carson voted in a nation-wide mock election to decide who they would have liked to represent them in their ridings. Over 650 students' votes were cast and it was a close one, but the winner at Carson Graham was Tammy Bentz of the NDP with 199 votes. Students across the North Vancouver riding also voted and the results were the same with the NDP coming out on top. Counting all of the ballots from students across the country resulted in a Minority Liberal Government with the NDP forming the official opposition. A similar yet very different result to the actual election results from last night! Thanks to everyone who helped put together another successful Student Votes at Carson and to all of the grades 10, 11 and 12s for participating.

Important announcement for all Grade 8 Students. This Friday is Grade 8 Community Day! There will be NO TIME to change into your PHED Strip. Come to school dressed for physical activity. Questions or concerns? See Mrs. Weyell, your Grade 8 counsellor.
