

# **Announcements for Feb. 22nd, 2018**

## **FRIDAY, FEB. 23rd – DISTRICT WIDE PRO DAY – NO CLASSES**

Interact Club will be collecting the Backpack drive donations today at lunch. If you have any final donations, bring them to a block 2 class!

Yearbook would like to alert ALL club members to the club sign up sheet on the display case in the agora. Please list the name, location, date, and time that your club meets. Also include a time you want your club's photo taken for the yearbook. If you don't provide information about your club on this list, your club will NOT be in the yearbook. The clubs list will be taken down on Wednesday February 28th in block 8. You have until then to get your club featured.

There will be a track team meeting in the large gym at lunch on Monday, February 26th for any students who are interested in joining the track team this year. If you cannot attend, please see Mr. Schafer in the PE office.

Have you bought your 2018 yearbook yet? Check out the list posted in the display case in the Agora to see if you have. There are only 100 copies left for purchase. Don't miss out, buy your yearbook today in the main office for \$50.
