Do you know what's going on in the Wet'suwet'en territories, here in BC? The Wet'suwet'en lands are being threatened by the RCMP, having granted permission by the government to forcefully push their way through. The Indigenous people of Wet'suwet'en have been peacefully standing their ground, and yet, they are being violated for protecting their land. Come to our bake sale to fundraise at lunch tomorrow in the Agora! All proceeds will be donated directly to the land defenders.
