### **Sustainable Thrift Market"**

Carson's senior dance class is fundraising for their dance tour. Please show your support by donating used, clean, quality clothing items to the dance studio by Friday February 28. People who donate will receive 10% off their purchase at the thrift market the following week. It's a great way to be sustainable and help us reach our fundraising goals.

Carson students, please be advised that there may be limited computer availability in the library over the next two weeks due to course input.

This is the final week for the Library's 3 Contests. Get your entries in for the jellybean guess, the book crush and book selfie contests. Friday is the final day for all submissions.

Hey Carson! Do you want to give back to your community? Do you want to help those in need? Then make sure to bring your donations for Interact's Backpack Drive to your Block 7 class! A list of the items that are being collected are in all classrooms, so take a look and see what you can bring to help those in need in your community!
