

# **ANNOUNCEMENTS**

**June 12th, 2025**

Any grade 12's that have not picked up their compass card, you may do so in the office. Last day is tomorrow (Friday).

Time is running out . School is almost done so that means Locker Cleanout !!!

All students please start thinking of taking some items home early. All lockers need to be emptied by Thursday, June 19. Once empty, leave the door open and close the lock onto the metal circle on the front side of the locker.

For students that have not used their locker, but are assigned one, you still need to do the same as all lockers will be cleaned by custodians over the summer.
