

ANNOUNCEMENTS

June 17th, 2025

Project 529 is a police supported bike registration site that is free and a deterrent for bike and e-scooter thieves. Today, during lunch, reps from Project 529 will be at Carson. Come learn more and register your bike or e-scooter.

Locker Cleanout !!!

All students please start taking locker items home now. All lockers need to be emptied by this Thursday, June 19. Once empty, leave the door open and close the lock onto the metal circle on the left front side of the locker. For students that have not used their locker, but are assigned one, you still need to do the same as all lockers will be cleaned by custodians over the summer.

Grade 12's – even though you are done, please empty your lockers also. Any items left behind will be donated or recycled.
