Each year, IB BC sponsors Diploma Programme students to attend conferences across the world. The 2018 conferences are being held in Hong Kong, Rotterdam Netherlands and Washington DC. This year, Executives read dozens of letters from outstanding students across the province. They cast their votes and of the 4 people chosen in all of BC, our very own Sophie Konrad and Reece Martis have been selected to attend. Congratulations to Sophie and Reece for this once in a lifetime experience. We know that you will represent Carson well.
