

Announcements for May 14th, 2019

If you're looking to gain valuable volunteer hours while also giving back to the community, apply to become a teen mentor **now** so that in the fall you can start volunteering. Being a teen mentor means that you will be a positive role-model to a child from our partnered elementary school. The teen mentoring program is a fun-based program, where you get to build on relationships through playing while also developing your own leadership skills. If this sounds like something you would be into, please apply at www.bigbrothersvancouver.com"
