If you're looking to gain valuable volunteer hours while also giving back to the community, apply to become a teen mentor **now** so that in the fall you can start volunteering. Being a teen mentor means that you will be a positive role-model to a child from our partnered elementary school. The teen mentoring program is a fun-based program, where you get to build on relationships through playing while also developing your own leadership skills. If this sounds like something you would be into, please apply at [www.bigbrothersvancouver.com](http://www.bigbrothersvancouver.com)
