Good morning Carson,

It is that time again when we are putting a call out for our annual Christmas Community Dinner. We need over 100 volunteers to help hold this Carson tradition. This is a dinner that we hold at Carson for people who need a good meal and unconditional love. We serve people from all walks of life some who are homeless, refugees, new immigrants or disabled. We will be discussing the various volunteering jobs that you might want to be part of in Mr. Olsons E201 room this Thursday November 28 at lunch. See you there.

A reminder to all grade 11 and 12 Indigenous students that there will be a presentation in Ms. Bumsted's room at lunch today about Capilano University programs. Pizza will be served.

Attention all Grade 12 and 11 students: The University of Alberta will be here on Monday at 11:15 in the fishbowl. If you are interested in attending the University of Alberta, please see their rep in the fishbowl at 11:15 am on Monday.

And don't forget that the University of New Brunswick will be here on Tuesday through the morning break, also in the fishbowl.

The Maker Club will be hosting an event for the next two Mondays in the Library Classroom at Lunch: Come and learn how to re-purpose books into various creations that you can keep or give as gifts. This event is open to both Staff and Students. Stop by the Library Circulation Desk this week to sign up.
