

Announcements for Nov. 7th, 2019

Attention all Grade 10 international students: Please see Mrs. Marshall in counselling this week.

Attention all students: Please pick up your Go Cards from your counsellor in the counselling suite.

For World Interact Week, the Interact Club will be holding an eyeglasses drive. If you have any old eyeglasses, please bring them to the collection boxes in the library or main office and we will redistribute them to those who lack access to proper vision care. The drive is happening until December so please bring as many glasses as you can!
