

Announcements for Oct. 29th, 2018

Any students that did not pick up their photo orders from homeroom **2 weeks ago**, please come to the office and collect them.

Halloween is a time to celebrate with our community and families. We enjoy it when students and staff get into costumes and have fun, but here are some safety tips that need to be adhered to:

- * Students in costume at school should be easily recognizable, and as a result, we ask students not wear full face masks. Replica weapons (guns, knives, etc.) are not allowed.
- * Please dress appropriately - do not wear costumes that are discriminatory or offensive in any way.

Talk at the Top is a youth-led summit on mental health leadership and advocacy for high school students from the North Shore and throughout the Sea to Sky Corridor. Delegates literally talk (about mental health) at the top (of Grouse Mountain). They develop leadership skills, increase their mental health knowledge and learn how to decrease the stigma that surrounds mental illness in their schools and communities. This single day is jam-packed; exciting speakers, workshops, activities, and brainstorming sessions. Applications are open until October 31 and can be found at jack.org/summits. Please have a look at the posters around the school as well for more info.
