Homework club is starting next week. It will usually run Tuesday, Wednesday, and Thursdays after school in the Library. However, next Wednesday will be cancelled. Come in for help with homework or reviewing material from last year. We are also looking for tutors, this is a good way to get some service hours and help your fellow students. See Mr. Wong if you have any questions.

It's not too late to join the cross country team. In particular, we do not have a junior boys team yet. Our first meet is next Wednesday. Please see Mr. Wong for details or to join.

If you are looking for an opportunity to work on your theatre skills or have a good time with a great group of people there will be auditions for the play "In the Palm of Your Hand" coming up soon. No experience necessary, just dedication and a love for theatre. For more information about the play and auditions stop by the bulletin board in the theatre.

Also in the theatre today, a free lunchtime performance. IF you are not sure what Improv is, come and get your giggles on!
