

## Announcements for Oct. 4th, 2017

Terry Fox was motivated by the idea that he could truly make a difference. He never wanted to be put on a pedestal, it made him uncomfortable. He really just wanted to challenge people to be their very best selves.

Terry once said, "That's the thing about cancer. I'm not the only one, it happens all the time to people. I'm not special. This just intensifies what I did. It gives it more meaning. It'll inspire more people. I just wish people would realize that anything's possible if you try; dreams are made possible if you try."

Please bring a Toonie for Terry tomorrow and come to school prepared to Run or Walk in your best Carson gear! Let's show our Carson Pride!

Do you like frozen yogurt? We do too! Menchie's frozen yogurt will be available in the agora at lunch tomorrow. Bring your money!

Homework club is cancelled for Thursday.

Are you interested in computer science? Is this field you're considering to take in the future or that you're wanting to learn more about? Then make sure to come to Gail Murphy's talk today at lunch in room E202. Gail Murphy is a computer science professor at UBC and she'll be coming in to talk about the applications of computer science & how useful it is in the world. So remember, today at lunch in room E202, which is right beside the engineering room. Make sure you don't miss out!

Any students interested in Leadership and student voice in our schools are welcome to attend the first DSLC meeting on Wednesday Oct 4 at 3:45 at Argyle Library. Our school needs to be represented! Come meet new people and devour some of the free pizza, veggies and cookies...! If you wish to attend and need a ride please see Ms. Dohm in the main office.

Congratulations to the junior girls field hockey team for defeating Argyle 7 to 0 yesterday. Well done girls.

Big Brothers of Greater Vancouver will have an information table set up at lunch today in front of the counselling office for those interested in applying to become a teen mentor. Big Brothers offers Carson students to take part in the Teen Mentoring program that is in partnership with Westview Elementary. The program is fun-based and only one hour per week so don't miss out on this wonderful volunteering opportunity to help make a difference in a child's life.
