Dear Carson Graham Community,

What an amazing week it has been! It has been wonderful to see students returning to full-time face-to-face instruction at Carson Graham and we have been most impressed with our students as they have transitioned back from summer break. Counsellors and office staff have been working hard to get students settled and we thank you for your patience as we have worked through this. I encourage you to continue to remind your child(ren) of the importance of keeping their mask on while at school.

Please see below for some important updates and dates:

Grade Assemblies

We will be having a series of grade assemblies so that we can introduce key staff and community members, discuss the upcoming school year and review the code of conduct. Students are asked to attend their regular classes and teachers will escort them to the large gym at their designated time. Students with study blocks are asked to also attend at the time indicated below for their grade level:

Grade 10 Assembly- 9:30am

Grade 9 Assembly- 10:40am

Tuesday, September 14 (Day 1)

Cafeteria Service

Cafeteria service will be resuming for the 2021-22 school year. The District has recently hired a new service provider for all NVSD secondary schools who is working through the logistics of re-opening. Once we have an official date for food service, we will share this with the community.

Families and students are invited to join us on Tuesday, September 14th at 7pm for our virtual event. We will go through important information about the school and answer any questions that you may have. Please note that a link for the event will be emailed home on Tuesday.
