Hello Carson Graham Families,

It's been a vibrant and inspiring few weeks at Carson Graham!

Here are some highlights:

- **Grade 12 Capstone Presentations:** Our Grade 12 students delivered impressive capstone presentations, sharing their K-12 journey, interests, passions, obstacles they've overcome, and future plans as part of their Career Life Connections course.
- **Grade 9 Interdisciplinary Unit & Community-Building Tug-of-War:** Grade 9 students created videos in French, Spanish, or Squamish that showcased a sport, integrating their language studies with physical education. They also enjoyed a fun tug-of-war event to build community spirit.
- **Social Justice Retreat:** Some Grade 11 and 12 students recently traveled to Gambier Island for a three-day Social Justice retreat, diving deep into important topics and sharing their ideas.
- **Community Initiatives Dinner & Language Class:** This past Monday, we hosted our last Community Initiatives dinner and language class of the year. 146 members of our community attended, and 50 students from grade 10 to 12 volunteered to plan, cook and serve alongside a professional chef and staff volunteers. We're excited to continue this tradition next year! Check out this [School District blog post](#) about the initiative.
- **Spring Sports Update:** Badminton, golf, track and field, gr.8 football, mountain biking, girls' soccer, ice hockey, and inline hockey – all had successful seasons filled with growth and teamwork. Our Track & Field, Junior and Senior Boys and Senior Girls rugby teams all competed at provincials. The Junior Boys finished 8th in BC. The Senior rugby teams are wrapping up their competitions this week. Go Eagles! Thank you to all our coaches and staff sponsors for supporting our student-athletes!
- **Inclusive Mario Kart Tournament:** Sponsored by the Cerebral Palsy Association of BC, we're hosting an inclusive school-wide Mario Kart tournament this week. Championship races are set for Friday, May 30, in the Agora at lunch.

8. Homestay families urgently needed

Each year, the North Vancouver School District welcomes students from around the world to live and study in our vibrant community in the International Program. We strive to place secondary school international students with families who live close to school to support each student's integration into the school and wider community.

We still have several secondary school international students in need of a homestay placement for the school term beginning September 2025. If you are interested in hosting an international student, please reach out to our International Education program office at international@sd44.ca. More information about the homestay program is available on the [International Education](#) section of the school district website.
