## **Carson Graham Newsletter**

**January 16, 2026**

Welcome! Over the last two weeks students have been settling back into school routines, and it's been great to see them re-engaging in their learning and reconnecting with peers & staff. We look forward to building on this positive momentum as we continue to support student growth and well-being.

We also recognize that recent world events have been unsettling for many students, and we want to reassure families that support for students is available. Students are encouraged to connect with a counsellor or a trusted adult if they need support.

## Homestay families needed

Each year, the North Vancouver School District welcomes students from around the world to live and study in our vibrant community in the International Program. We strive to place secondary school international students with families who live close to school to support each student's integration into the school and wider community.

We have secondary school international students in need of a homestay placement for the school terms beginning February and September 2026, and February 2027. If you are interested in hosting an international student, please reach out to the International Education program office at [international@sd44.ca](mailto:international@sd44.ca).

More information about the homestay program is available on the [International Education](#) section of the school district website.
