

COURSE OUTLINE – MYP YEAR 5 PHYSICAL & HEALTH EDUCATION

Course Overview:

The focus of PHE 10 is to continue to build on skills and concepts learned in grade 8 and 9. We aim to foster a positive mindset that promotes participation in physical activity, healthy living, and relationship building. Students continue to create personal fitness goals, build fitness plans, and reflect on their performance. Students will develop physical literacy through a variety of physical activities.

Expectations:

- PHE 10 is a participatory class, students are expected to respectfully engage in all activities.
- Students must come to class changed and prepared to start at the second bell. You are not allowed to change before or after class in the gym, washrooms, hallway, etc. You must come to school in your PHE strip and bring a water bottle.
- Proper PHE strip includes shorts or sweatpants (jeggings, joggers and jeans are not acceptable), t-shirt, sweatshirt, proper athletic shoes (bring weather appropriate clothing should it rain).
- If injured, students must provide a note or email from home, outlining injury and expected return to action date. Extended cases must provide a note from a medical professional. Adaptations will be provided for students whose medical condition does not allow a return to action.

Learning:

Through engaging with this course, students should UNDERSTAND...

Daily participation in different types of physical activity influences our physical literacy and personal health and fitness goals.

Lifelong participation in physical activity has many benefits and is an essential part of a healthy lifestyle.

Healthy choices influence our physical, emotional, and mental well-being.

Healthy relationships can help us lead rewarding and fulfilling lives.

Advocating for the health and well-being of others connects us to our community.

Through engaging with this course, students will **KNOW**

Statement of Inquiry	Key Concept/Concepts	Unit
Team members will communicate to refine their position as to optimize offensive and defensive strategies	Communication, Refinement	Net Games
Positive team relationships are built by displaying fairplay, recognizing others perspectives, and interacting positively with your peers.	Relationships, Interaction, Perspectives	Territory Invasion
Our choices related to our health and well-being can affect life balance, relationships and interactions with others.	Relationships, Balance, Choice, Interaction	Health and Well-being
Making choices and adaptations in line with our personal motivations improves our relationship with physical activity.	Relationships, Adaptation, Choice	Fitness
A variety of minor games offer a balance of skills and effort for students to demonstrate in changing situations.	Change, Balance	Minor Games

Through engaging with this course, students will **DO...**

CURRICULAR COMPETENCIES CATEGORIES	EXAMPLES
Physical literacy	Develop, refine, and apply fundamental movement skills in a variety of physical activities and environments. Develop and apply a variety of movement concepts and strategies in different physical activities. Develop and demonstrate safety, fair play, and leadership in physical activities.
Healthy and active living	Participate daily in physical activity designed to enhance and maintain health components of fitness. Describe how students' participation in physical activities at school, at home, and in the community can influence their health and fitness. Identify and apply strategies to pursue personal healthy-living goals Reflect on outcomes of personal healthy-living goals and assess strategies used
Social and community health	Propose strategies for: - avoiding and/or responding to potentially unsafe, abusive, or exploitive situations - responding to discrimination, stereotyping, and bullying - developing and maintaining healthy relationships
Mental well-being	Describe and assess strategies for promoting mental well-being, for self and others Describe and assess strategies for managing problems related to mental well-being and substance use, for others Create and assess strategies for managing physical, emotional, and social changes during puberty and adolescence

Through this course, students will develop the following Approaches to Learning skills...

Below are some examples of how we develop ATL skills in PHE:

Category Skill indicator	Examples
Thinking skills	Game situation decision making, Designing fitness plans, Reflection on personal goals and plans, Transferring skills and strategies from one activity to another.
Social skills	Positive team relationships, Including others, Encouraging teammates
Communication skills	Communicating with teammates, Listening to teammates, Proper body language in sport
Self-management skills	Being on time, Remembering PHE strip daily, Managing emotions, Practicing perseverance
Research skills	Finding and evaluating health information, Media literacy and awareness

Assessment:

Throughout this course, students will demonstrate their learning...

The MYP PHE course will focus on developing skills related to 4 criteria based objectives.	Formative assessment is assessment <i>as</i> learning, or assessment <i>for</i> learning. Formative assessments could include;	Summative assessment is assessment <i>of</i> learning. Summative assessments could include;
A: Knowing and Understanding	In-game feedback, peer teaching, in class discussion, visual demonstration	Criterion A: Assessment Task, SWOT Analysis of Health, knowledge tests
B: Planning for Performance	At home workout reviews, connecting exercises with muscle groups	Fitness Plan, Dance Performance
C: Applying and Performing	Practicing skills and receiving instruction, drills and scrimmages	Performance tests,
D: Reflecting and Improving Performance	Individual and class discussions	Beep Test Fitness Goals, written reflections, self-assessments,

Academic Honesty and Personal Integrity

The faculty at Carson Graham expects our students to complete academic and nonacademic work that is authentic and respectful of intellectual property. All students are expected to adhere to the school's Policy for Academic Integrity. Ignorance of the standards related to academic honesty and student integrity is not an excuse for dishonesty, plagiarism and malpractice. You are expected to familiarize yourself with the policy.

Assessment Rubrics:

Grade 10

Criterion A: Knowing and understanding

Achievement level	Proficiency Scale	Level descriptor
0		The student does not reach a standard described by any of the descriptors below.
1-2	Emerging	The student: • states physical and health education factual, procedural and conceptual knowledge • applies physical and health education knowledge to investigate issues and suggest solutions to problems set in familiar situations • applies physical and health terminology to communicate understanding with limited success.
3-4	Developing	The student: • outlines physical and health education factual, procedural and conceptual knowledge • applies physical and health education knowledge to analyse issues and to solve problems set in familiar situations • applies physical and health terminology to communicate understanding.
5-6	Proficient	The student: • identifies physical and health education factual, procedural and conceptual knowledge • applies physical and health education knowledge to analyse issues to solve problems set in familiar and unfamiliar situations • applies physical and health terminology consistently to communicate understanding.
7-8	Extending	The student: • explains physical and health education factual, procedural and conceptual knowledge • applies physical and health education knowledge to analyse complex issues to solve complex problems set in familiar and unfamiliar situations • applies physical and health terminology consistently and effectively to communicate understanding.

Criterion B: Planning for performance

Achievement level	Proficiency Scale	Level descriptor
0		The student does not reach a standard described by any of the descriptors below.
1-2	Emerging	The student: • identifies goals to enhance performance • constructs a plan to improve physical performance and health.
3-4	Developing	The student: • outlines goals to enhance performance • constructs and describes a plan to improve physical performance and health.
5-6	Proficient	The student: • explains goals to enhance performance • designs and explains a plan to improve physical performance and health.
7-8	Extending	The student: • develops goals to enhance performance • designs, explains and justifies a plan to improve physical performance and health.

Criterion C: Applying and performing

Achievement level	Proficiency Scale	Level descriptor
0		The student does not reach a standard described by any of the descriptors below.
1-2	Emerging	The student: • demonstrates and applies skills and techniques with limited success • demonstrates and applies strategies and movement concepts with limited success • recalls information to perform.
3-4	Developing	The student: • demonstrates and applies skills and techniques • demonstrates and applies strategies and movement concepts • identifies and applies information to perform.
5-6	Proficient	The student: • demonstrates and applies a range of skills and techniques • demonstrates and applies a range of strategies and movement concepts • analyses and applies information to perform.
7-8	Extending	The student: • demonstrates and applies a range of complex skills and techniques • demonstrates and applies a range of complex strategies and movement concepts • analyses and applies information to perform effectively.

Criterion D: Reflecting and improving performance

Achievement level	Proficiency Scale	Level descriptor
0		The student does not reach a standard described by any of the descriptors below.
1-2	Emerging	The student: • identifies and demonstrates strategies to enhance interpersonal skills • outlines the effectiveness of a plan based on the outcome • outlines and summarizes performance.
3-4	Developing	The student: • outlines and demonstrates strategies to enhance interpersonal skills • explains the effectiveness of a plan based on the outcome • describes and summarizes performance.
5-6	Proficient	The student: • describes and demonstrates strategies to enhance interpersonal skills • analyses the effectiveness of a plan based on the outcome • explains and evaluates performance.
7-8	Extending	The student: • explains and demonstrates strategies to enhance interpersonal skills • analyses and evaluates the effectiveness of a plan based on the outcome • analyses and evaluates performance.
