

COURSE OUTLINE – MYP YEAR 5 LANGUAGE AND LITERATURE

At Carson Graham, we strive for excellence in all endeavours, encourage personal and social responsibility, respect diversity and work to develop a life long commitment to learning.

Our aim is to develop inquiring, knowledgeable, confident and caring students who create a better world through intercultural understanding and respect.

UNITS OF STUDY

MYP units foster student inquiry and are conceptually based. Concepts have an essential place in the structure of knowledge. They require students to demonstrate levels of thinking that reach beyond facts or topics. Concepts are used to formulate the understanding that students should retain in the future; they become principles and generalizations that students can use to understand the world and to succeed in further study and in life beyond school.

Approaches to Learning

All MYP units of work offer opportunities for students to develop and practice ATL skills. These skills provide valuable support for students working to meet the subject groups aims and objectives.

These skills will be the focus in Language and Literature:

Category	Skill indicator
Thinking skills	Evaluate evidence and arguments
Social skills	Listen actively to other perspectives and ideas
Communication skills	Use a variety of media to communicate with a range of audiences
Self-management skills	Keep an organized and logical system of information files and notes
Research skills	Seek a range of perspectives from multiple and varied sources

The MYP Language and Literature course will focus on developing skills related to 4 criteria based objectives.

- Analysing
- Organizing
- Producing text
- Using language

Students will be assessed based on the criteria detailed below and MYP assessment will be both formally (report cards) and informally (feedback on assignments) reported. MYP levels will be used to calculate a student's overall standing in a course.
