

## COURSE OUTLINE – MYP YEAR 5 PERFORMING ARTS

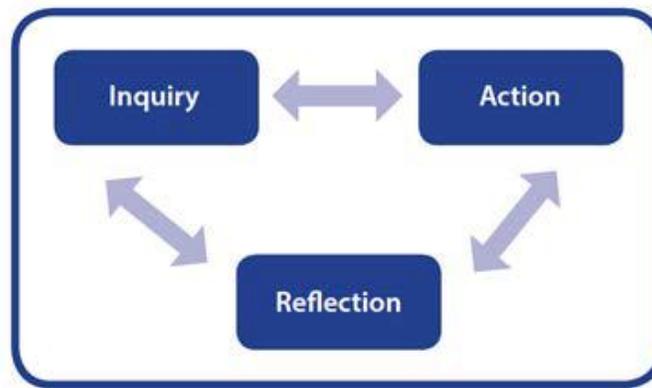

---

*At Carson Graham, we strive for excellence in all endeavours, encourage personal and social responsibility, respect diversity and work to develop a life long commitment to learning.*

*Our aim is to develop inquiring, knowledgeable, confident and caring students who create a better world through intercultural understanding and respect.*

### UNITS OF STUDY

MYP units foster student inquiry and are conceptually based. Concepts have an essential place in the structure of knowledge. They require students to demonstrate levels of thinking that reach beyond facts or topics. Concepts are used to formulate the understanding that students should retain in the future; they become principles and generalizations that students can use to understand the world and to succeed in further study and in life beyond school.

Research skills	Create mood boards, sketches and/or storyboards, which translate an idea to practice.

The MYP Arts course will focus on developing skills related to 4 criteria based objectives. All MYP Arts courses will make use of the **Process Journal** and the following objectives will be assessed through the Process Journal Knowing and understanding

- Developing skills
- Thinking creatively
- Responding

Students will be assessed based on the criteria detailed below and MYP assessment will be both formally (report cards) and informally (feedback on assignments) reported. MYP levels will be used to calculate a student's overall standing in a course.
