

HUNGRY 4 CHANGE

24 HOUR FAST @ Carson

Every 3 seconds, a child dies from extreme poverty.

Make a difference.

Students

Sign up to participate with Ms. Gellatly in room D206 and attend regular meetings. Students will set a goal of fundraising \$100 to contribute to the Free the Children “Build a Village” Campaign. Students who attend all the meetings and complete their fundraising will participate in the fast followed by a fun and educational sleep-over at the school **Friday March 1st**. This will earn them **6 hours for Community Service**.

Parents- We need your help!

We need parent chaperones who can come in to the school “Graveyard” shift midnight to 8 in short 2 hour shifts. We prefer parents who have their Criminal Records checks please. We also need help/donations of fruit and baked goods for the breakfast following the fast. If you can help please contact Ms. Thomson (kthomson@nvsd44.bc.ca)
