Details about each item above:

1. Grad Write-up for Yearbook - Due Friday, January 23rd

Yearbook write-ups for grads are due Friday, January 23rd. Students were provided a link on the Grade 12 (Class of 2026) Team to a [Teams Form](#) to complete their write up. This is for the yearbook; it is not the words that will be read at the grad ceremony as they cross the stage in June. Only students have access to the Teams form as it is linked to their school district account.

2. Yearbook Order Deadline – Friday, January 23rd

Yearbook orders are being done through [School Cash Online](#). The item is listed under Optional Items. If you are unsure if you have placed an order, be sure to check your history tab in School Cash Online. We do not order extra yearbooks for sale in June so make sure to order yours before Friday.

3. Photo Consent Forms – Due Friday, January 23rd

Students are asked to review their photo posted on the display cases in the agora to confirm that their consent form is complete before Friday, January 23rd. For grade 12s the yearbook will contain their grad photo not their school photo as posted.

- ● If their photo has a red sticker, it means their Photo Consent Form has not been signed and their photo will not appear in the yearbook, only their name.
- ● If their photo has a yellow sticker, it means that they have signed NO consent and their photo and name will not be included in the yearbook.
- Photo consent forms can be found here: <https://www.schoolcashonline.com/> (School Cash Online houses the forms but there is no fee to complete them.)

Paper copies of the consent form are also available in the office. Students can pick up tomorrow and return on Monday at the latest.

4. Grad Wear – Orders must be in by January 31st

The link for the **new grad merch store** is officially live! Orders are open until **January 31st at midnight**, so be sure to place yours before then.

As a fundraiser, the yearbook team is looking for parents and guardians of grade 12 students to submit a baby picture and message of love to appear at the end of the yearbook. The cost is \$6.00, and can be paid through School Cash Online (under optional items).

If you are interested in taking part, we ask that you send a high-quality copy of your child's baby photo, along with a write up (80 words maximum) to cgsyearbook@sd44.ca. The baby photo and write-up will be featured in the graduating class pages of the yearbook.
