RC Day

Friday, November 28th is a Review and Completion (RC) Day. Grade 12s are strongly encouraged to attend if they have ANY outstanding work to complete. Grade 12 courses are rigorous and keeping on top of the workload is critical to success.

Post-Secondary Institution Selections for Grade 12 students

Post-secondary institution selections for upcoming graduates are available through the [StudentTranscripts Service](#) website.

Upcoming graduates are encouraged to make their post-secondary institution (PSI) selections in the [StudentTranscripts Service](#) (STS). How and when transcript information is sent will depend on the PSI and the options selected in STS. For full details, please visit the [Transcripts and Post-Secondary Selection](#) web page.

Current students can make up to 25 free PSI selections in STS. They are also entitled to order one free printed transcript (by mail) after graduation, which can be sent to any address they choose. All other transcript orders in STS (including [PDF transcripts](#)) are \$10 each.

Important Reminder about authorizing select PSIs to retrieve transcript updates

If a student's selected PSI is capable of receiving [ongoing electronic updates](#) (i.e., XML transcripts), the student should choose the second (default) option to "Send my transcript now and allow this Post-Secondary Institution to request transcript updates until the date specified below." To ensure there are no issues with their PSI application process, it is also recommended that they leave the authorization period set to the default date of one year.
