THE CARD PROJECT – turning art into greeting cards

The children made amazing art for this exciting fundraiser.

The Card Project has turned their masterpieces into professionally printed greeting cards, notebooks, sketchbooks, year planners, canvas tote bags, mugs, mousepads, digital prints and canvasses.

Look out for **your child's** greeting card coming home this week!

Every card is unique.

The front showcases *your child's own art* with their name and grade printed on the back.

To place an order, please go online to

www.TheCardProject.ca

Our school access code is VC18

Orders are due Sunday, April 10

with delivery in time for Mother's Day.

This is a wonderful fundraising opportunity for our school. We receive 20% of the sales. Remember, the cards and notebooks make great gifts!

THANK YOU in advance for your support.

If you have any questions, please reach out to Marcelle at Marcelle@TheCardProject.ca

Information and Reminders

- BCCDC links are now posted on our [web-site](#).
- Please remember to do the **Daily Health Check** prior to coming to school.
- Please ...No Dogs on School Property The District of North Vancouver by-law prohibits dogs from certain public spaces such as school grounds –(for exact wording of the regulation 5981, please refer to the North Vancouver District website restricting dogs from school grounds). While our four-legged friends are usually just that -friends –some children at school are allergic to dogs while others can often be frightened of them. Even when leashed or tethered to a fence, dogs can be unpredictable especially when the owner is not present. In other cases, and despite many owners best efforts, they can and do leave 'calling cards' on the grounds –not pleasant for anyone who may step or slide into them unintentionally... Thank you in advance for helping us maintain a safe and pleasant environment for all members of our school community
- **Student Drop Off/Pick Up** - Our parking lots are **NOT** for student pick up and drop off. If you are at the front round-about, do not leave your car, as this area is for drop off and pick up only. No Parking. We have buses and emergency vehicles that need access to the round-about. Thank you for your co-operation and for keeping our community safe. When the cones are up blocking driveway access, please do not drive through or block the traffic delineators. As you may have noticed, we have new white traffic delineators. Please do not pull up beside or on them, thank you!
- **Celebrations** - At this time, due to our Covid protocol, please do not send treats or food to be shared in the classroom. Thank you for understanding.
