The Card Project

“The Card Project” is coming to Cove Cliff Elementary this spring! “The Card Project” is an art-based fundraiser. The children are already working on their special art project. The Card Project will turn our children’s art into unique, professionally printed greeting cards. Every child will receive a free greeting card that showcases their own art. The back of their card is customized with their name and grade.

Important: You need to sign up for your child to receive a free greeting card made with your child’s art. To comply with Canadian privacy regulations, you need to consent to your child’s name and art to be released to The Card Project. Sign up online at www.TheCardProject.ca You will be able to order greeting cards, notebooks, tote bags, tea towels, mouse pads and mugs made with your child’s art. These unique items make wonderful gifts.
