Conscious Community Corner:

Pink Shirt Day and International Day of Pink

Bullying is a major problem in our schools, workplaces, homes, and over the Internet. Each year, on Pink T-Shirt Day, We encourage all of you to wear something pink to symbolize that we as a society will not tolerate bullying anywhere. Take the message and remember it all year long.

It is so important that victims of bullying know they are not alone and there is help and support available.

Wearing a pink shirt on this day sends a strong message to them that others care. Often, the simple act of wearing a shirt can start conversations - conversations can be a big step towards healing and helping!

There is also the International Day of Pink, which is on the second Wednesday in April! This day is dedicated to the cause against Bullying, Discrimination, Homophobia, Transphobia, and Transmisogyny around the world. You can celebrate diversity by wearing a pink t-shirt and participating in activities in your workplaces, schools, and communities.
