Parking Lot Safety

We are noticing an increasing trend of poor parking lot etiquette especially when we have buses coming to the school.

PLEASE:

- Do not park in the staff parking lot EVER even to quickly drop off.
- Please do not park and leave your car in the roundabout to walk your child to class. The roundabout is for a quick drop off only. This is becoming a huge issue for the buses when we have them.
- Please do not let your child walk through the staff parking lot to get to the school. Please ask them to use the sidewalks. Some of the students are little and hard to see if our staff are parking or backing up.
- Please drive slowly!!!

Slippery weather

Please be very careful in the parking lots and around the school when it is cold and icy! Everything is very slippery! We had some near accidents this week!

Homestay families needed

We have secondary school international students in need of a homestay placement for the school terms beginning February and September 2026, and February 2027. If you are interested in hosting an international student, please reach out to the International Education program office at international@sd44.ca. More information about the homestay program is available on the [International Education](#) section of the school district website.

Lost & Found is very full!

Please stop by or send your child to see if there is anything that is theirs's in the Lost & Found

Very successful first day of the ski / snowboard program!

Congratulations to Jessie Linton - (Cove Cliff Gr. 7, Class of 2014)

Hi classroom champions.

I'm going to the Olympics!! I received the exciting news a few days ago! This has been my dream and goal since I was 10 years old. I can't wait to represent Canada on the big stage. It has taken a lot of time, hard work and dedication to get here. Thank you for the support and cheering me on! I'll make sure to wave at you through the cameras!

Embrace the process! ~Jessie~
(Canada's freestyle mogul ski team)
