Schedule Changes	Events
Dec. 5 – District wide Pro-D Day	Nov. 19 – PAC Meeting

Wet Weather reminder!

Talk at home about bundling up for the weather! It's cold and wet outside at recess and lunch on some days. Many students continue to make poor choices about clothing when going outside. Staff frequently suggest that students put on proper coats and warm clothes, although this is often ignored. Please talk to your child(ren) about making responsible clothing choices at break times so they don't have to call home for new clothes. Please also consider sending change of clothes including shoes and socks with your children (all ages/grades) to leave at school in case they get wet outside.

Congratulations to our Grade 7 Boys Basketball Team for winning the District Championships!! – Great season!!

Winter Concert Update

Welcome back to Ms. Crocker! We are excited to have Ms. Crocker, our Music Teacher back at school, and thank Ms. Boddez for filling in for her this fall. Due to timing constraints, we will unfortunately not have a winter concert in December this year. Stay tuned for another way to celebrate the arts in our school this Spring!

End of Term Focus: Respect

This month, our school-wide focus is on Respect, a core value that beautifully aligns with our Code of Conduct: *Taking care of self, others, and place*. At Cove Cliff, we believe that respect is shown through our words, actions, and how we treat one another every day.

We're encouraging students to use respectful language, show kindness, work together as a community, and to look out for one another. Respect means listening to others, helping peers, and showing consideration to both classmates and adults. A student generated assembly is happening on the 18th to show our commitment as a school community to achieving this goal.

Students who consistently demonstrate respectful behaviour will receive a Gotcha and be entered into a draw in mid-December for a chance to become Principal or Vice Principal for the Day! We had our exciting trial run this Wednesday! Huge thanks to Mr. Thatcher and Ms. Edie for their outstanding leadership and hard work running the school!

Let's continue to work together to build a respectful, caring, and connected community at Cove Cliff!
