Fall Weather is here – Send the right gear!

The days are getting colder and wetter. Please make sure you send your child to school with outdoor clothing that is weather appropriate. Please also have a conversation at home about taking the time to gear up before heading out for recess and lunch.

Conscious Community Corner:

National Day for Truth and Reconciliation

September 30th marks the annual [National Day for Truth and Reconciliation](#), also known as Orange Shirt Day. It is a time for reflection and a time to come together in the spirit of Reconciliation, and to honour those who have been impacted by Canada's residential school system.

At Cove Cliff, we honour and acknowledge the truth and are committed to moving forward with acts of reconciliation.

We call on all of us who are settlers on these lands to deepen your understanding of the history and ongoing legacy of residential schools, to participate in initiatives happening, and consider what commitments you can make and actions you can take to advance Reconciliation.

E-Scooter Pilot Project

The RCMP have been working closely with the NV District and ICBC to develop an educational approach regarding the use of e-scooters. We've been asked to share the attached pilot program regulations. Their goal is to distribute educational materials ahead of Halloween. Thank you for helping to keep our students and community safe.
